

FH455-M-D

Full height mobile HTM71 cabinet

Description

The Medspace 455 and 655 wide HTM71 cabinetry are designed to comply with the NHS HTM 71 Health Technical Memorandum - Materials Management Modular Storage.

At the core of the HTM71 system is the ISO module storage insert (AKA the tray) measuring 600 x 400 mm.

Each cabinet is fitted with our universal HTM71 liners that allow the HTM71 trays to be fitted and arrested at an angle.

This mobile cabinet allows materials to be securely and easily distributed.

Includes a 100mm sloping top for easy cleaning. Can be specified without if required.

NOTE: Trays are not included.
