

PM650

Monitored Dosage Trolley

Description

Our Medicine Drugs Trolleys are built to a very robust design and will withstand the rigours of a long medicine round. Four swivel castors allow easy steering of the trolley through narrow doorways and corridors.

Suitable for the storage and dispensing of the blister packed monitored dosage system (MDS) as supplied by Pharmacies

Features

- 4 height adjustable, internal-shelves.
- 6 fully adjustable and 2 fixed door shelves.
- 24 plastic trays (100W x 300D x 100H (mm))
